HAPPY INTERNATIONAL CABIN CREW DAY

Dear Colleagues, Friends and Members

As we are witnessing the much-desired recovery of aviation - and gradually returning to normality, recovering certain old habits - EurECCA could not fail to mark the World Day of the Cabin Crew.

Over the last two years, our lives have been suspended, living moments of enormous tension and drama.

Cruelly, we felt that we went from being Company Ambassadors to purely disposable numbers in the blink of an eye.

In this way, that not everything will remain as before, we understand that the time has come to once again leave a word of appreciation to those who contribute to make aviation such a special sector.

*Happy Cabin Crew Day!
Happy Day to All of Us!*
